<p><b>Thursday, August 24, 2017</b>  <b>Instructor:</b></p> <p>Everyone needs practical strategies and materials to help with challenging behavior in young children (especially those that research has shown to be highly effective). This training walks participants through The Teaching Tools for Young Children with Challenging Behavior resource (known as TTYC). This tool is packed with strategies based on Positive Behavior Support and the Pyramid Model that are collected in one resource and easily accessible through a free website. Participants will see tools for prevention of challenging behavior as well as tips, forms, guides, and practical resources that promote problem solving skills, friendship development and social skill instruction, all of which are critical to the core development of school readiness.</p>	<p><u><a href="#">What's In Your Teaching Toolkit?</a></u>  <i>Karen Walker, Region 5 Healthy Social Behavior Specialist</i></p>	<p>6:00 p.m. - 8:00 p.m.</p>	<p>MCPC</p>
<p><b>Wednesday, September 6, 2017</b>  <b>Facilitators:</b></p> <p>The Leadership Roundtable is a time when vital information is shared with and among local early childhood leaders. This quarter's session will provide updated information and opportunities for discussion on <i>NC FAST, Raising A Reader, Training &amp; T/A needs, and more</i>. Other Local and Regional news &amp; info will also be shared. This is a great opportunity to network with peers and to be a part of the local Early Childhood Community of Practice specifically focused on the interests of Center/FCCH owners &amp; directors. Lunch will be provided.</p>	<p><u><a href="#">Leadership Roundtable</a></u>  <i>Child Care Central / MCPC Staff</i></p>	<p>11:30 a.m. - 1:30 p.m.</p>	<p>MCPC</p>
<p><b>Tuesday, September 12, 2017</b>  <b>Instructor:</b></p> <p>We all want control of our own lives, but young children usually have very few opportunities to make choices about what they do, and when they do it. They're told when to get up, what to wear, what to eat and when to eat it, where to go and what to do when they get there. Introducing choice into a young child's life can be a powerful tool to promote improved behavior in your classroom. Come learn the five steps to using the choice making strategy and discover how easily you can embed choice-making opportunities into your classroom and short-circuit power struggles with your preschoolers.</p>	<p><u><a href="#">Preventing Power Struggles with Preschoolers</a></u>  <i>Karen Walker, Region 5 Healthy Social Behavior Specialist</i></p>	<p>6:00 p.m. - 8:00 p.m.</p>	<p>MCPC</p>
<p><b>Thursday, September 21, 2017</b>  <b>Instructor:</b></p> <p>Interested in learning more about how infants learn and grow and how you can support their development? This workshop will offer ideas and strategies on working with your youngest learners in a way that recognizes and enhances their overall growth across all developmental domains. Please note that this workshop is designed for those who work with infants ages 0 - 12 months.</p>	<p><u><a href="#">What Babies Need to Learn and Grow</a></u>  <i>Monette Ayers, Montgomery County Partnership for Children Program Coordinator</i></p>	<p>6:30 p.m. - 8:30 p.m.</p>	<p>MCPC</p>
