Executive Committee (Acting as Board) – President's Report

Thursday, April 26, 2018

A. North Carolina Partnership for Children (NCPC) / DCDEE Updates / Legislative Updates

- 1. We had legislative representation at our kick-off on April 16th for the Week of the Young Child (WOYC). Representatives Billy Richardson and John Szoka participated in activities that morning along with a proclamation from the City of Fayetteville in support of the WOYC. Childcare programs in Cumberland County and across the state provided a variety of activities throughout the week to highlight early care and education.
- 2. DCDEE Child Care Development Block Grant
 - a. RFA out for statewide initiatives to support Infant/Toddler services (CCDBG Infant/Toddler set aside). NCPC will be applying and has sought input from the Smart Start network.
 - b. RFA out for Capacity Building for NC Pre-K; Can request up to 2% of our allocation. Can cover administrative costs to support NC Pre-K. Due May 12. We are putting together a proposal.
- 3. Federal Level
 - a. Omnibus spending bill passed by Congress and signed by President Trump in March had some cuts for SNAP (formerly Food Stamps). Congress has just released the new Farm Bill focused on serious changes and cuts to these benefits.

B. Smart Start Conference – April 30-May 3, 2018, Greensboro

- 1. Birthday celebration Wednesday evening Can register for that for \$25.
- 2. Leadership Symposium Thursday, May 3, 2018, 8:00-noon. Board members attending are Perry Melton, Patricia Crouch, Wanda Wesley & Jim Grafstrom.
- 3. We have 21 staff and 3 Board members attending. Marie Lilly will be the administrative point person for the week. While many program staff will be attending the conference, there will still be many staff still in the office keeping things moving.

C. Dolly Parton Imagination Library Statewide Expansion

- 1. Expansion continues to be strong across the state. As of mid-April, 85,205 expansion were enrolled and the statewide total is up to 135,732 children. These numbers reflect graduations and children that move.
- 2. We now have a signed contract with United Way of Cumberland County to be part of the statewide expansion through Smart Start. The link for online registration through expansion should be live in the next 48-72 hours.
- 3. We will be pushing marketing through the grant from NCPC to assist with recruitment. Please encourage any parents that you know of to register for DPIL if they are not already part of this program.

Be the Driving Force.

March 31, 2018

1 Balance Sheet

a. The cash balances; investments and liabilities are at the anticipated amounts and are sufficient for the current needs.

2 Smart Start Grant

- a. PFC's Smart Start grant budgets are reflected at full allocation effective 07-01-2017
- b. All Smart Start funds are now in contract.

3 NC Pre-Kindergarten Grant

- a. PFC is in full contract with DCDEE effective 07-01-2017.
- b. The total grant is now \$8,578,375 and currently consists of \$8,410,172 of state funds and \$168,203 of federal funds. The additional amount is for federal NC Pre-K CCDF Quality funds effective 9-1-2017 through 6-30-2018.
- c. Due to the amount of these federal funds, the Partnership *may* again be audited extensively for fiscal responsibility and federal compliances, i.e. an A-133 audit since we *may* have at least \$750,000 in federal expenditures for the fiscal year.
- d. All budgets and expenditures are at the expected percentages at the month end.

4 DCDEE - Region 5 Grants

- a. PFC's three Region 5 grants are in contract effective 07-01-17.
- b. All budgets and expenditures are at the expected percentages at the month end.

5 All Funding Sources

- a. The cash balance at month-end is as projected and is sufficient for the requirements of the upcoming month.
- b. The NC Pre-K reimbursements from DCDEE are sometimes received later than anticipated which causes the reimbursements to providers to be delayed.

6 Unrestricted State Revenues (USR)

- a. The goal is to continue to use these funds only when other funding streams cannot be used or is not available.
- b. Some investment funds may *need to be converted to operating cash during this fiscal yearend* to cover the current and the anticipated shortfall as projected.
- c. In March 2017, the First Citizens Bank CD matured at \$249,522.08, including interest, and was deposited into the Partnership's main checking account until future investment decisions are made by the Investment Committee.
- d. In March 2017, the First South Bank Money Market account of \$243,587.60, including interest, was deposited into the Partnership's main checking account until future investment decisions are made by the Investment Committee.
- e. \$26,000 plus \$22,000 of the funds from items 6 e. and 6 f. above will remain in the Partnership's main checking account to assist in filling the shortfall in the operating funds portion of the USR funding stream. Any additional amounts will be determined at a later date by the Investment Committee.
- f. In October 2017, a check for \$443,000 was made payable to PNC Bank to move funds from the Partnership's main checking account until future investment decisions are made by the Investment Committee.
 The \$443,000 consisted of \$429,000 of USR funds and \$14,000 of interest income funds and was deposited into the PNC Bank on November 9, 2017.

7 Cash and In-kind Report

- a. The 19% match amount reflected on the monthly report is reflected at 100% of the full allocation.
- b. PFC's Leadership Team, staff and Board members will continue to discuss and implement strategies to make up our potential short-fall to meet our match requirement. PFC did not meet last year's match requirement which was also at 19%.
- c. Since the 19% required match was not met for the FY ended June 30, 2017, there will be no contribution to the PFC endowment.

- e. Of the required \$1,253,751 match, we are required to report at least 13% in cash match. At the end of FY2016-2017, PFC exceeded that goal and projects to exceed the cash goal at the end of the 2017-18 fiscal year.
- f. The actual shortfall was \$34,753.39 for FY2016-2017.

- B. Employees' payroll deductions at March 31, 2018 from the current month and from prior months total \$2,472.94. These accounts are reconciled on a monthly basis and at yearend to ensure that the correct amounts are being accounted for.
- C. Per Board approval, an endowment fund was established on June 29, 2012 with the Cumberland Community Foundation, Inc. with an initial amount of \$25,000.00. Since this amount is an irrevocable gift of assets, it is classified as a permanently restricted net asset for accounting purposes. It is also classified as a "Beneficial Interest in Community Foundation" in the Assets section of the Balance Sheet.

NCPC defines permanently restricted net assets as "used to classify assets that have donor-imposed stipulations that neither expire with time nor can be fulfilled or removed by actions of the organization. An example would be an endowment fund whereby the principal is maintained for investment purposes and the interest earnings may be available for use. This FASB code is rarely used."

Additional funds totaling \$4,732.00 was added to the endowment as of June 30, 2013. The Partnership made an additional deposit of \$768.00 to the endowment in September 2014. The Partnership also made an additional deposit of \$666.00 to the endowment in July 2015. During January 2016, additional deposits totaling \$218.00 were received for the endowment. This amount was transferred to the Foundation in February 2016. The total contributions from the Partnership to the endowment, including these funds, are now a total of \$31,384.00. There were no additional funds added to this endowment during the 2016-2017 fiscal year.

North Carolina Partnership for Children (NCPC) Update / Legislative Update Federal Level Continuing Resolution for budget through March 23. CHIP is funded for 10 years, four years beyond the 6-year extension last month. Home visiting (MIECHV) is funded for five years at level funding. (NC has not accessed this funding to date.) This provides funding for Healthy Families America and Nurse-Family Partnerships. This funding does not require a state match. Community Health Centers are funded for two years. The Child Care and Development Block Grant (CCDBG) has doubled the discretionary funding to \$5.9 billion in FY 2018 and FY 2019. This is the largest increase ever. Details are still being worked out by March 23, but there will be 	None	None

Be the Driving Force Plan a significant increase in early education funding in NC. We do know that there will not be a state match required for the increased funding, as it is discretionary funding. The funding cannot supplant existing state funds used for childcare. It is expected that the funding will be spent for purposes consistent with the CCDBG Act of 2014 and its rules, including percentages spent on quality initiatives and infant-toddler quality. 2. State Level a. HB90 passed Senate and House. Governor indicated he would not veto the legislation, which would become law 30 days after the passage. Addressed K-3 class size requirements (phasing in the requirements), State Board of Elections and a fund related to the Atlantic Coast Pipeline. b. HB60 also established a statutory appropriation for NC Pre-K with increases in funding to eliminate the current waiting list. It will be critical for Cumberland County to assess the capacity to serve children that are more eligible and to continue to recruit children to determine the ability to expand NC Pre-K. The legislation directs funding for NC Pre-K in the base budget as follows: i. FY 2019-20: \$82 million ii. FY 2020-21(and each subsequent year): \$91 million B. NC Justice Center, Pathways for Prosperity (www.pathwaysforprosperity.org) 1. Next Early Childhood Education meetings: February 27; 6:00-7:30 pm at the new Transit Center. An additional meeting is being scheduled March 17; 1:00-2:30 pm in order to gather additional community input. Location TBD. 2. Initial three objectives targeted by group: a. Increased access to health care (to include maternal health & child health birth - 5) b. Increased access to quality early care and education c. Regular school attendance 3. Overall plan is to be developed by March 2018; followed by convening of Neighborhood Revitalization groups. Key strategies will be to move services and resources into revitalization areas to increase access. C. Smart Start Conference – April 30-May 3, 2018 1. Conference registration has opened. Several board members have expressed interest in attending and Belinda is taking care of registration. 2. There will be several celebrations of the 25th Anniversary of Smart Start. Wednesday evening will feature a "birthday party". Staff who have been in positions 20+ years will be recognized. Linda Blanton has been with PFC 20 years in May. D. Dolly Parton Imagination Library Statewide Expansion 1. Expansion is going strong across the state. First report is due to the General Assembly in March.

		Evidence-Informed. (See attachment of description of all activities proposed.)	
		4. Some activities previously allowed do not meet the EB or EI requirements and will
