Job Description

Title of Position: Regional Healthy Social Behaviors Specialist

Salary Range: \$35,359 - \$39,779

Supervisor's Name and Title:

Program Administrator

FLSA Status:

Regular, Full Time, Non-Exempt:

Date of Next Review:

Primary Purpose of Position:

The Healthy Social Behaviors (HSB) Specialist provides resources, training, and technical assistance to child care providers regionally so that they can identify, prevent and address challenging behavior in young children in child care settings, ultimately resulting in the expulsions of fewer children from child care programs. The primary duties and responsibilities of the HSB Specialist will relate to the scope of work for the Promoting Healthy Social Behaviors in Child Care Centers Project.

This is a telecommuting position.

Duties and Responsibilities:

Technical Assistance:

The HSB Specialist participates in efforts to develop training for Child Care Resource & Referral (CCR&R) technical assistance providers and other staff on the CSEFEL Pyramid Model. The HSB Specialist provides monthly presentations regionally in the area of social-emotional development and/or behavioral issues, including standardized trainings and on-site technical assistance visits in local licensed child care centers to mentor and assist teachers in promoting healthy social-emotional development through the use of the CSEFEL Pyramid Model.

Trainings/Presentations:

The HSB Specialist participates in efforts to develop additional research-based standardized training for child care providers on the CSEFEL Pyramid Model strategies and materials and facilitates training sessions for child care center directors on administrative supports for program adoption of CSEFEL Pyramid Model.

The HSB Specialist participates in the NC/CSEFEL Pyramid Model Partnership training, implementation and evaluation activities and facilitates training sessions for CCR&R technical assistance providers and other staff on the CSEFEL Pyramid Model.

The HSB Specialist participates in efforts to identify, compile, and disseminate information and resources for child care directors on administrative support for program adoption of CSEFEL Pyramid Model and to develop training for center directors on this topic.

The HSB Specialist participates in the NC/CSEFEL Statewide Pyramid Model Conference as presenters on specialized Pyramid Model content and participates in the NC/CSEFEL Pyramid Model Partnership trainings, implementation and evaluation activities.

Programmatic Outreach:

The HSB Specialist surveys each child care program that receives on-site technical assistance to determine the number of children expelled and/or suspended due to challenging behaviors during the prior year. The HSB Specialist works with other Behavior Specialists and the State Project Manager to produce articles based on the Pyramid Model and/or CSEFEL strategies in social-emotional development that can be used in county and regional newsletters. The HSB Specialist promotes awareness of the availability and resources of Behavior Specialists to child care providers and intermediary agencies and develops and maintains resource lists of available social-emotional practitioners, educators, mental health professionals and a protocol for making referrals and assistance in all regions. The HSB Specialist develops resources, for client centers, about the special considerations and support needed to facilitate the successful inclusion of children and families previously affected by a preschool expulsion.

Collaboration:

The HSB Specialist works with other consultants, technical personnel in the region, the state team Behavior Specialists and State Project Manager to achieve goals of the project and ensure successful evaluation. The HSB Specialist cultivates partnerships with other behavioral specialists, educators and mental health professionals to assist child care providers/families in promoting positive behaviors in young children.

Data Collection:

Through coordination with the Planning, Development & Communications staff and the State Project Manager, the HSB Specialist participates in a Project Evaluation Plan for Promoting Healthy Social Behaviors in child care settings, including data collection, timely and accurate submission of data each quarter.

The HSB Specialist demonstrates a strong understanding of the NC licensing and programmatic requirements in the early care and education system in North Carolina. The HSB Specialist professionally represents the Partnership for Children of Cumberland County (PFC) and Child Care Resource & Referral in the community and advocates for quality child care and other necessary support services for children and families on behalf of the organization.

The HSB Specialist is responsible for preparing and submitting all required reports, as directed, as well as maintaining documentation for data entry into appropriate database in a timely manner.
