Conference Room Policies

We are delighted to provide the use of our conference rooms, as one strategy to reach our mission, but we must ensure that they are used properly. The following is a list of Partnership For Children of Cumberland County's (PFC) policies in regards to the use of the Partnership For Children Resource Center (PFCRC) conference rooms.

MISSION

The Partnership For Children Resource Center's mission is to enhance the quality of life of families by strengthening service resources and increasing accessibility.

POLICIES

I. Point of Contact

1. There must be a point of contact identified from each organization that is in charge of scheduling rooms and ensuring that all staff understands these policies and procedures.

This person will communicate with the PFCRC Operations Manager or Information Referral Assistants (IRAs) when scheduling use of the conference room. This person will be accountable for all misuse or broken policies and procedures.

II. Room Usage

1. The room that you are assigned to is the **only** room that you can use.
2. Conference rooms are assigned based on the number of attendees, equipment use, and availability.
3. Meetings should be professional and cannot overflow into or be heard in public areas.
4. Locked closets in conference rooms shall remain locked. These rooms can only be accessed by permission from PFC.

3. PFC reserves the right to re-schedule or switch conference rooms for any meeting scheduled at any time. The point of contact will be notified via email or fax of any such changes.

5. All groups must leave the premises by 9:00 PM Monday-Friday and by 5:00pm on Saturdays, unless exception has been granted in writing by the President.
6. Directions to the meeting should be given to all participants of each meeting that is held in one of the PFCRC conference rooms. As meeting rooms can be difficult to locate, it is the user's responsibility to place a person in the main lobby downstairs to direct guests to the user's meeting after PFC business hours.
