VII. Establishing a Strat Future A. Board Developm 1. Board Priori		A.1. Mary Sonnenberg reported that there are three board priorities that the board needs to focus on. Board members are seated in groups for each group to focus on one priority and report out to other board members. Group 1 focus is NC Pre-K with Jim Grafstrom as the board lead, Group 2 focus is Community Engagement/Fund Development with Chas Sampson as the board lead and Group 3 focus is Infrastructure (Facilities) with Hank Debnam as the board lead. This is the second times these groups are meeting to continue to talk about strategies and next steps.		
		The following are results from each group.		
Discussion Points		Group 1 – NC Pre-K Board Lead: Jim Grafstrom

Processing of applications	Question: What timelines are needed in order to receive applications from all sources to do eligibility and prioritization of children before the end of the current school				
	year?				
	1. The NC Pre-K program is still reviewing staffing needs, looking at leveraging other roles.				
	2. Begin the process earlier.				
	3. Do placement wavesno later than June, instead of beginning in June				
	4. Recruit facilities to assist				
	Coordinate with DSS to provide significant assistance (including electronic equipment) in setting up and implementing with PFC a large event with a public presence.				
Timely payment	Question: What supports can be provided to assist programs in having qualified (all their paperwork submitted) teachers in place at the beginning of the school year?				
	We did not get to this question.				
Other questions/ideas to	Marketing efforts to include:

	CS: How do we articulate to potential donors that we rely on donations despite our heavy federal and state funding?			
	RD: Identify what we can/can't use our funding for – how we can/will use our donations			
	SG/RD: Being intentional about declaring our admin funding (how little of it actually goes to admin costs)			
	MH: Is it possible to identify specific stories of people who were affected by our programs.			
	MH: Finding veteran-owned businesses because we serve so many military families			
	EB: Annual campaign? (similar to United Way)			
	licit participants to write a real life story of how they were impacted			
Special Events	Question: What is the role of events in fund development strategies?			
	1. How do we continue major events like Soirée without active board involvement?			
	2. What doesn't get done with so much staff time on events?			
	 It is possible that Forward March might not occur after this year or in a reduced manner. What would the impact be? 			
	4. How do we get active board engagement?			
	4. Now do we get active board engagement:			
Community Engagement	uestion: How do we use community engagement and outreach to leverage and promote fund development?			
Action Points				
Brutal Fact	We aren't making the 19% match			
	Group 3 – Infrastructure (Facilities)			
	Board Lead: Hank Debnam			
Discussion Points				
Infrastructure needs	Question: What priorities need to be set into action to address long-term infrastructure needs of the building?			
	1 st Priority - Health and Safety Issues – windows/walls (especially those with mold/mildew issues) need to be fixed first			
	Mike: Windows were never properly installed. Windows are water resistant not water proof: at the end of the windows there is a missing a piece that causes			
	leakage. There are 50+ defected window glass – seals bad. Glass alone is \$130,000. Another \$50,000 for other costs.			
	Some walls contain mold due to water leakage need to address right away			

Funding strategies	Question: What funding strategies could be utilized to pay for capital expenditures for the building?
	Begin with projects that can be covered with Smart Start funds
	Per Shauna, there are grants for windows due to hurricane. There is federal funding available due to hurricane. May be able to get money for windows.
	Mike: Monies are being reallocated with Longleaf Grant.
	Have vendors/contractors access building and provide estimates
	Seek vendors/contractors that can come at no charge
Community resources	Question: Who may be community resources that could help evaluate the needs and/or assist with a plan for this type of capital expenditure? Grants (unrestricted)
	Increase tenant lease – currently review every year
	Loan – use grants to pay off loan If board knows of any vendors/contractors dealing with capital improvement let PFC know
	Perry suggested doing loan – make an adjustment with tenants
21	
Other needs	Question: What other infrastructure needs should be included in the overall plan (i.e. the phone system)?
	-HVAC units (15 units that are from 1988 or replaced in earlier years). Approximately \$120,000 to replace. Some systems do not balance heat/air the way it should – this may increase costs.
	-Building carpet, paints – have original carpet from 1988. Have tile that is broken. This is considered a hazard.
	-Building security – need new door locks and security cameras. Issues with some locking mechanisms. There are ghost keys where some keys will fit other offices – not secure for tenants nor staff.
	 -Roof is still under warranty. Expires in the next 5 years. Only allow installer to work on roof so no warranty issues. Need to be in long range plan. -Phone System – System now is working and supplying the need. Not all tenants are on the system. System here for a little over 12 years. Need to have a consultant come in and make a suggestion regarding infrastructure and wiring. Would like to have a consultant come in, look at what our needs are. Need to decide if we want the tenants on the system or not. Will be a 4-5 month project – phone system will be inoperable in certain areas of the building. Estimated cost is between \$15-20,000 for the consultant to evaluate the system. May purchase a new voice over IP system. -Wiring – Need to be careful because of today's code need to look at what projects are done because of old wiring. Make sure things are not put in place to a look at what projects are done because of old wiring.
	overload the system. Van suggested if you are fixing windows you should do them all.
	Shauna – need to prioritize first – what project needs to be done first

Cumberland Administration, Activity ID# 999

PSC:9100 PBISID:A10

Partnership for Children of Cumberland County, Inc. is a not-for-profit agency established to ensure that children under six years of age benefit from, and have access to, high quality early childhood education and development services. The Local Partnership board is made up of community leaders from business, government, education, churches, non-profits, communities, human services agencies, child care providers and families. The Local Partnership will be responsible for developing a collaborative strategy to meet the needs of children and families in Cumberland County. The Local Partnership will administer, oversee, and coordinate implementation of the local annual plan, including subcontracting for services as needed.

Cumberland WAGES, Activity ID# 720

PSC:3107 PBISID:EDU10

The Child Care WAGE\$ Project provides child care professionals with education-based salary supplements. To encourage consistency, installments based on half of the annual award are issued after each six-month period the participant completes in the same child care program. Because these supplements reward education and continuity of care, children benefit from more stable relationships with better educated teachers. The consistent care of an educated provider is fundamental to quality, and quality child care leads to future success in school and life. This project impacts children by helping to improve the quality of care they receive. Supplements are issued to teachers; directors and family child care providers based on education attained. The key goal of the Child Care WAGE\$ Project is to improve early care and education services. The primary performance standard that the Child Care WAGE\$ Project addresses is turnover. Preschool teacher turnover will be reduced. A secondary performance standard is that teacher education and compensation will be increased as a result of WAGE\$.

A. North Carolina Partnership for Children (NCPC) / DCDEE Updates / Legislative Updates

- 1. NCPC MAC recommendations were approved by the NCPC Board in January. PFC is a MAC lead and was part of the workgroup reviewing processes and funding. This accounting support is critical to the network. We currently have five partnerships as part of our MAC site. The recommendations include stringent staff qualifications and interview processes for accounting staff providing accounting services to other partnerships. Funding is being increased through changes in Smart Start allocations across the network to support the MAC system.
- 2. NC Legislature The long 2-year budget session has begun. This is expected to be a "long" long session. One of the key issues on the table is Medicaid Expansion. HB 124 was been filed by Representatives Dobson, Murphy, Lambeth, and Jackson requesting \$20M in new funding for Smart Start. A companion bill in the Senate is expected to be introduced by Senator Ralph Hise. Focus areas of Smart Start's legislative agenda include home visiting and parenting programs, childcare subsidies, early health and development programs, quality early learning environments and early literacy programs. The Governor's budget was released. It includes increases in funding for Smart Start, increased rates for NC Pre-K along with administrative dollars for infrastructure and increased slots for subsidized childcare.
- 3. **Cumberland County Legislative Delegation Meeting** We met with local legislators on March 8. Childcare providers attended as well. The agenda focused on some of our newer initiatives and collaborations with community partners. We also discussed NC Pre-K and the challenges we've had over the past several years. All four of our representatives co-sponsored HB 124 in support of early childhood and Smart Start funding.
- 4. Early Childhood Action Plan for children birth through age eight The final plan was launched at an Early Childhood Summit that is scheduled for February 27 in Raleigh. The \$4.5M preschool development grant from the U.S. Administration for Children and Families Office of Child Care (in the U.S. Health and Human Services budget) is being put out in RFPs. NCPC has just released a Strengthening State and Local Family Engagement RFP for up to eight planning grants.
- **B. PFC 10-10 Club** A great way to donate to the Partnership with financially and through volunteer hours. You may sign up on-line!
- **C. Month of the Young Child** Champions for Children. We will have activities going on all month celebrating our work with young children and the programs that serve them. This includes activities at childcare programs, story and art times in the Eva L. Hansen Learning Library, the Prevent Child Abuse Conference on April 13, and will culminate with KidStuff at the Dogwood Festival on April 27. There will be recognition of two childcare providers as "Shining Stars" at the April 13th Prevent Child Abuse Conference.

PFC is a 501(c)(3) non-profit organization supported by public and private funds through Smart Start, NC Pre-K, tax-deductible donations, and grants.

- D. Forward March Conference May 30 & 31, 2019. The location of the conference is at the Iron Mike Conference Center. The VIP dinner is being held at the Airborne and Special Operations Museum May 30. We are promoting attendance at the conference.
- **E.** 2019 National Smart Start Conference, April 29-May 2, 2019, Greensboro, NC. Any board members interested in attending need to contact Belinda Gainey.
- **F. 40 Under 40 Class of 2019** Congratulations to board members Dr. Meredith Gronski, Ayesha Neal, and Chas Sampson for being part of the Class of 2019.
- **G.** NCImpact Cumberland County's Community Child Abuse Prevention plan is being featured in this PBS show that features significant programs that are happening in local communities across the state. Filming has already occurred in Cumberland County and with state leaders. The Partnership was one of the agencies interviewed for the show. The episode is scheduled to air in April to highlight Child Abuse Prevention month.
- **H. Family Connects** March 25, 2019 Community Meeting with childcare providers and foster care staffs, PFC 6:30-8:30 pm. We continue to meet with community stakeholders as we work on community alignment and capacity to bring this universal home-visiting program to Cumberland County.

PFC is a 501(c)(3) non-profit organization supported by public and private funds through Smart Start, NC Pre-K, tax-deductible donations, and grants.

Included in the cash balance amount are the following investment vehicles:

- B. Employees' payroll deductions at February 28, 2019 from the current month and from prior months total \$3,272.23. These accounts are reconciled on a monthly basis and at yearend to ensure that the correct amounts are being accounted for.
- C. Per Board approval, an endowment fund was established on June 29, 2012 with the Cumberland Community Foundation, Inc. with an initial amount of \$25,000.00. Since this amount is an irrevocable gift of assets, it is classified as a permanently restricted net asset for accounting purposes. It is also classified as a "Beneficial Interest in Community Foundation" in the Assets section of the Balance Sheet.

NCPC defines permanently restricted net assets as "used to classify assets that have donor-imposed stipulations that neither expire with time nor can be fulfilled or removed by actions of the organization. An example would be an endowment fund whereby the principal is maintained for investment purposes and the interest earnings may be available for use. This FASB code is rarely used."

Additional funds totaling \$4,732.00 was added to the endowment as of June 30, 2013. The Partnership made an additional deposit of \$768.00 to the endowment in September 2014. The Partnership also made an additional deposit of \$666.00 to the endowment in July 2015. During January 2016, additional deposits totaling \$218.00 were received for the endowment. This amount was transferred to the Foundation in February 2016. The total contributions from the Partnership to the endowment, including these funds, are now a total of \$31,384.00. There were no additional funds added to this endowment during the 2016-2017 fiscal year.
