

NC PRE-KINDERGARTEN PROGRAM ECERS-R Site Improvement Plan

Instructions: The NC Pre-K Contractor (or designee), Site Administrator, Teacher and Teacher Assistant in collaboration with the DCDEE NC Pre-K Education Consultant will complete the first three columns of the Improvement Plan (Indicator & Score, Action Needed, and Timeline) and submit the Plan to the Education Consultant within 30 days of notification of a score less than 5.0 on an ECERS-R assessment. A reassessment will be scheduled the following school year and the Contractor and Site Administrator will be notified. Prior to the scheduled reassessment, the Contractor (or designee), Site Administrator, Teacher and Teacher Assistant will complete the last column (Follow Up) and submit the completed plan to the DCDEE NC Pre-K Education Consultant to demonstrate readiness for reassessment.

I participated in the development of this Improvement Plan, and will begin immediately to implement this Plan. I understand that this classroom will be reassessed during the following program year, and must score at least a 5.0 on the Total Child Item Score (items 1-37) on the ECERS-R to remain in the NC Pre-Kindergarten Program.
