

## **Site Monitoring Tool SFY 2020-2021**

The NC Pre-K management team at DCDEE is currently working on guidance for the Site Monitoring process and the corresponding Site Monitoring Tool for the 2020-21 school year.

Due to the COVID-19 changes that are in place for the 2020-21 school year that include NC Pre-K sites/classrooms operating in a remote learning only, hybrid and/or in-person mode of instruction, the Site Monitoring process will be configured to reflect these changes to include an update to the due dates for completing the Site Monitoring Tools.

Guidance will be provided as soon as possible for the Site Monitoring process. You are not required to move forward with this process until the revised guidance is sent to the NC Pre-K Contracting Agencies from DCDEE.
