Human Resources Committee Meeting of April 18, 2023

RECOMMENDATIONS

- A. The HR Committee recommends accepting the policy revisions to HR 419 Flexible Spending Account as presented.
- B. The HR Committee recommends accepting the organizational changes as presented on the personnel changes memo and the organizational chart with the added direction to post the Programs Administrator position internally.

MEMO

HR 419 Policy Revisions – Effective 6/1/2023

Background

HR Committee and Board approved revisions to insurance benefits policies in November 2022 to allow part-time employees to participate in certain insurances such as vision and dental. These revisions were in support of our mission and values to strengthen and empower families. With a 300% increase in part-time employees since the pandemic (increase from 1 to 4 part-time employees), the Partnership believed extending certain benefits to part-time employees was necessary to attract and retain part-time employees.

Issue

The Partnership identified an additional benefit that should be made available to part-time employees: the medical and dependent care flexible spending accounts (FSA). The FSA is a voluntary benefit and 100% funded by the employee, so extending it to part-time employees costs the Partnership nothing. The FSA is a separate account from the fully integrated health reimbursement account (HRA), the latter of which is available to full-time and abbreviated schedule employees participating in the Partnership's health plan. Part-time employees are still not eligible for the health plan.

Additional revisions include:

- Removing the dollar figure for maximum contribution limits to avoid small annual revisions to the policy. Instead, the policy will follow limits set by the IRS.
- Updating the policy to include the rollover provision allowed by the plan.
- Removing the requirement for all employees to complete an enrollment form each year since it is a voluntary benefit.

Action

Recommend for approval revisions to HR 419 Flexible Spending Account as presented.

Commented [PF1]: Recommendation: Update to the NCPD revised CAD for FY 2023-24 (see below).

Current CAD

Child Care Resource and Referral (CCR&R) is an activity aligned with the North Carolina CCR&R System and will participate with and report data to the CCR&R Region 5. Services that are provided using Smart Start dollars in this activity include:

- (1) Technical assistance: Technical assistance (in the form of coaching and modeling) is provided to early childhood educators working in licensed child care facilities serving children birth to five years old. The Technical Assistance activity will be focused on improving and maintaining star-rated license levels. It may also include improving assessment scores in ERS, CLASS, and POEMS. Technical Assistance may also include coaching on professional development planning and advising.
- (2) Training for child care providers: Training for Division of Child Development and Early Education (DCDEE) credit hours provided on child care-related topics and coordination of CEU opportunities.
- (3) Consumer Education: Information and/or education to families about quality child care.
- (4) Consumer Referral: Referring families to local child care options.

Smart Start funds may be used to cover expenses for Committee meetings and/or training and recruitment events. Following programmatic guidelines, grants may be provided in the form of bonuses, materials, and/or program management tools.

CCR&R Required CAD Template

PSC 3104 - Child Care Resource and Referral

Updated CAD

Child Care Resource and Referral (CCR&R) is aligned with the North Carolina CCR&R System to provide CCR&R services that meet NC CCR&R Council specific outputs and outcomes. Services may include: technical assistance, training for child care providers, consumer education, and/or consumer referral.

Services that are provided in this activity include:

- (1) Technical assistance: Technical assistance in the form of coaching and modeling provided to early childhood educators working in [specify start-up, licensed and/or G.S. 110] child care facilities serving children birth to five years old. The Technical Assistance activity will be focused on improving [Participating Facilities Star Levels; Participating Facilities Star Rating Education and Program Standards points; ITERS/ECERS/FCCERS scores; CLASS scores; PAS/BAS scores; POEMS scores; NAEYC Accreditation achievement.]
- (2) Training for child care providers: Training for DCDEE credit hours provided on child care related topics and coordination of CEU opportunities.

**Partnership for Children of Cumberland County
ASA Review FY 2023-24**

(3) Consumer education: Information and/or education to families about quality child care.

(4) Consumer referral: Referring families to local child care options.

Materials, based on needs identified in the pre-assessment used for this activity, may be provided to eligible participants in accordance with locally approved policies & procedures.

Child Care Health Consultant

PSC 3414

Current CAD

The Child Care Health Consultation model follows the North Carolina CCHC Service Model for implementation of the activity by providing the following services to child care facilities, staff and others as needed. Services that are provided using Smart Start dollars in this activity include:

(1) Technical assistance: Technical assistance (in the form of coaching and modeling) provided to early childhood educators working in licensed and/or G.S. 110 child care facilities serving children birth to five years old. The Technical Assistance will be focused on improving the capacity of providers to identify and promote healthy and safe environments for children in child care settings.

(2) Training for child care providers: Training for DCDEE credit hours provided on health and safety education related topics and coordination of CEU opportunities.

The NC Child Care Health and Safety Assessment and Encounter Tool will be used to conduct classroom-based assessments to develop a quality improvement plan, informing technical assistance and training. Documentation is maintained for all technical assistance and training. The Child Care Health Consultant (CCHC) is a Registered Nurse with a Degree in Nursing (ASN or BSN) or a health professional with a minimum of a Bachelor's Degree in health education or a health-related field. The health professional is or will become a qualified CCHC in North Carolina through the completion of the NC Child Care Health Consultant Training Course and receipt of a certificate of qualification.

Following programmatic guidelines, grants may be provided in the form of bonuses and/or materials based on needs identified in the NC Child Care Health and Safety Assessment and Encounter Tool.

Family Connects

Current CAD

PSC 5413

Family Connects is an activity to build capacity and provide services for newborns and their families' health and well-being. The activity will support nurse home visiting services and other community referrals using the Family Connects International (FCI) model of home visiting. Staff will follow up with families of newborns who declined home visits in the regional catchment area or are ineligible for home visits through PDG (born at another hospital, families delivering at home, families who have adopted, and families who may need bereavement care). Follow-up will include connecting families to resources and/or referrals based on the FCI four domains of support services family health care, infant care, safe home, and other parent needs. Additionally, staff will reconnect with each individual family to allow for confirmation of referral success. An additional focus will be reconnecting families who change their minds about a newborn home visit. Funds will be used to support a program staff position to build out program reach beyond Cape Fear Valley births as part of Family Connects implementation. Additional costs will include webpage development and other technical infrastructure for systems integrations, required LP cost allocations (space, utilities, and other administrative expenses), marketing and outreach not covered by other sources of funds, and support materials for eligible participants in accordance with locally approved policies and procedures. The activity will host internal and external meetings, and food may be provided. Contracted services, technology, and consultants may be utilized. Multiple funding streams will be used to support staffing, purchase of materials, and coordination of this activity.

Prenatal/Newborn Services

PSC 5413

Updated CAD

Family Connects is a regional home-visiting activity for families with newborns that provides services for the newborn and all household members following the Family Connects International (FCI) home-visiting model. Home visiting and related follow-up will include connecting families to resources and/or referrals based on the FCI four domains of support services – family health care, infant care, safe home, and other family needs. Clinical and non-clinical staff will connect with the newborn's family in the hospital setting or shortly after being released to inform the family about the program and schedule a visit. Visits are conducted either in-home or via telehealth, based on the family's comfort. Families receive between one and three visits, along with post-visit calls. The program will offer support and resources to families who do not accept a visit from our Family Connects activity or another Partnership internal or external activity. The current catchment area includes families giving birth at Cape Fear Valley Health that reside in Cumberland, Hoke, or Robeson counties. The program will include the evaluation of expansion to other hospitals, in-home births, and residents from other counties in the region. A nurse from a contracted nurse partner will conduct all clinical visits. Families not in the catchment area but interested in support will receive referrals to their local Partnership for programs and resources.

Additional costs will include webpage development and other technical infrastructure for systems integrations, required LP cost allocations (space, utilities, and other administrative expenses), marketing and outreach not covered by other sources of funds, and support materials for eligible participants following locally approved policies and procedures. The activity will host internal and external meetings that may include food. The LP may use contracted services, technology, and consultants. The LP will use multiple funding streams to support staffing, purchase of materials, and coordination of this activity.

Assuring Better Child Health and Development (ABCD)

PSC 5410

Current CAD

Cumberland's ABCD project is working to establish cross-system coordination for developmental screening across primary health care and appropriate referral/service linkage to further promote early learning, readiness for school, and parent education. The Assuring Better Child Health and Development (ABCD) model improves the quality of child development services in primary care medical practices by enhancing developmental screening and referral for children ages birth-5 in the context of the medical home. The project will provide training and on-site technical assistance to medical practice sites to facilitate the identification of children who may benefit from early intervention services. Services will be provided to physicians and their staff at various times to support the integration of standardized, validated developmental screening and referral into designated well-child visits, the provision of information and education to families regarding their child's development, and collaboration with community partners to ensure follow-up to the practices regarding referral and treatment plans. The project will also develop and disseminate appropriate materials to participating practices including a community resources directory or referral handouts. Services will be implemented with model fidelity by a qualified ABCD Coordinator.

Cumberland County Hosting Information Session for Revised Nonprofit Assistance Program *Program Application Deadline is May 7, 2023*

FAYETTEVILLE, N.C. – Cumberland County staff will host an information session for nonprofit organizations interested in applying for assistance through the County’s revised Nonprofit Fiscal Recovery Assistant Program. The information session will be held virtually Wednesday, April 19 at 6:30 p.m.

The Cumberland County Nonprofit Fiscal Recovery Assistance Program allows nonprofit organizations who perform a “public purpose” (programs concerned with employment, economic development, crime prevention, childcare, health, drug abuse, education, and welfare needs of persons of low to moderate income) to apply for up to \$50,000 in direct assistance to reimburse organization expenses related to:

- Payroll, which includes wages and associated payroll taxes;
- Occupancy, which includes rental lease payments, mortgage (for organization property) and utilities;
- Programmatic, Direct Services;
- Training and Travel;
- Advertising, Printing, and Publication;
- Interpretation, Accessibility, Equity Items; and
- Other Operating Expenses.

The program has been updated to remove the previous eligibility requirement that nonprofits retain low-to-moderate income full-time equivalent employees. The change was made by the Cumberland County Board of Commissioners to make the program less restrictive and more accessible to the County’s nonprofit organizations. Any nonprofit that has previously applied to the program does not need to reapply as all applications received prior to the change will be reviewed using the revised eligibility criteria.

An application deadline has also been set for the program of May 7, 2023.

The information session will include a presentation followed by a question-and-answer period with County staff. The virtual meeting will be recorded and posted to the County’s website at cumberlandcountync.gov/arp-nonprofit where it can be viewed following the live session. An updated application will also become available immediately following the session.

MEMO

Request for Cumberland County Nonprofit Fiscal Recovery

To: Executive Committee

From: Partnership for Children

Dated: April 27, 2023

Background

The Partnership for Children of Cumberland County (the Partnership) will apply for the Cumberland County Nonprofit Fiscal Recovery Assistance Program (CCNFRAP), which allows applicants to request funds to be reimbursed for programs concerned with satisfying a “public purpose” to include employment. Funds under this program may not be used for any purpose other than reimbursement of expenses related to serving a public purpose as defined by N.C. Gen. Stat. § 160D-1311(a); and must address the negative impact(s) to the organization and/or community due to the COVID-19 pandemic.

Issue

The Partnership proposes a one-time bonus for employees with funds in the amount of \$50,000 provided by the CCNFRAP. During these challenging and inflationary times, the Partnership has a unique opportunity to reward employees for their work and service while addressing our goal of continuing to improve employee retention.

In response to the COVID-19 pandemic, the Federal Reserve took unprecedented supervisory and regulatory actions to stimulate the economy. As a result, the labor market strengthened and returned to pre-pandemic rates by March 2022; however, this stimulus has resulted in the highest inflation rates in decades, as calculated by the Consumer Price Index (CPI).

The annual change in the CPI-U South Region has fluctuated between 4.9% to 9.8% increases over the previous 12 months, not seasonally adjusted. Additionally, the Social Security Administration increased

Social Security benefits 8.7% beginning January 2023 based on their review of cost-of-living increases using the CPI-W.

Inflation's dramatic rise over the past two years has taken its toll on Partnership staff who are shelling out more for expenses, including housing, groceries, gas, and medical costs. As a result, turnover rates have doubled and financial stress has risen, impacting staff's ability to serve families in our community at our standard of excellence. Prior to the pandemic, the Partnership's average turnover rate was around 10%. Since the pandemic, the average turnover rate increased to 23%. The funds provided by the CCNFRAP would help the Partnership improve employee retention and support financial security by recognizing and rewarding staff for their work and service.

As the enclosed summary of projected expenditures details, the CCNFRAP funds will cover personnel in our budgets that don't allow a one-time bonus. Some of our funders do not allow their funds to be used for one-time bonuses, while other do allow it, making it difficult for the Partnership to provide additional compensation equitably. Additionally, not all of our budgets have the capacity for a cost-of-living salary adjustment. As a result, Partnership staff's salaries aren't keeping up with inflation, causing staff to seek other opportunities. The CCNFRAP funds will be directly applied to personnel in these exclusionary budgets, allowing the Partnership to address inflation and turnover due to the COVID-19 pandemic.

Action

Recommend for approval a one-time bonus of 3% with a \$2,200 floor for all eligible employees to be paid on a subsequent pay date following grant approval.

PFC is a 501(c)(3) non-profit organization supported by public and private funds through Smart Start, NC Pre-K, tax-deductible donations, and grants.

**PARTNERSHIP FOR CHILDREN OF CUMBERLAND COUNTY, INC. [PFC]
SUMMARY OF PROJECTED EXPENDITURES TO SUPPORT STAFF RETENTION VIA A ONE-TIME BONUS
BASED ON STAFFING AND PAYROLL AMOUNTS AS OF APRIL 25, 2023**

How Many Staff?	Percentage of Total PFC Staff	Purpose	Amount Requested	Basis
20	34%	Gross Salaries & Wages not available in funding streams to support annual pay increases, equity adjustments or one-time bonuses	\$ 44,133.94	Amount calculated as 3% of annual salary or \$2,200 minimum per staff
20	35%	FICA Expense at 7.65% of Salaries & Wages	\$ 3,376.25	Required FICA expense on gross pay
15	45%	401-K Retirement for participating staff at no more than 4% company match of gross Salaries & Wages	\$ 1,193.36	Company's Retirement Plan policy
Subtotal			\$ 48,703.55	
58	100%	Cost of required third-party vendor fees [Paychex] for payroll processing that can only be paid from Administrative funds which has historically had a shortfall at the end of each fiscal year.	\$ 1,296.45	Vendor fee charged for payroll processing services
Total Request			\$ 50,000.00	

- 1** In order to cover these projected expenditures, PFC plans to apply for The Cumberland County Nonprofit Fiscal Recovery Assistance Program grant which provides applicable funding up to \$50,000 per applicant on a reimbursement basis. Payroll expenditures is one of the allowable categories for this local governments grant. The grant application is **due May 7, 2023** and the only category PFC is planning to apply for is the Payroll category.
- 2** The County's grant representative stated that the application review/approval, contract and reimbursement processes should be a relative quick turnaround as it moves through the County's required processes.
- 3** PFC has a sufficient cash balance on hand to cover the projected expenditures until they are reimbursed by the County and funds are received and deposited into the PFC operating account.
- 4** Using PFC's unrestricted funds is not a long-term solution to maintain pay increases, equity adjustments and one-time bonuses for staff in grant funding streams that have insufficient funds or have such pay restrictions. PFC will continue to seek out other grants to support future staff sustainability.
- 5** The estimated total organization cost is \$146,000 minus the \$50,000 grant. If approved for the grant, the cost to Smart Start and other non-exclusionary budgets is an estimated \$96,000. PFC has sufficient available funds in these budgets for the estimated \$96,000.
- 6** PFC is hopeful in being awarded this grant and if PFC is not awarded this grant, there are sufficient funds in other unrestricted funds to cover this \$50,000 projection.

8 Cash and In-kind Report

- a. The 19% match requirement reflected on the monthly report is reflected at 100% of the full allocation, including the prior year reverted funds.
- b. PFC's Leadership Team, staff and Board members will continue to discuss and implement strategies to meet our match requirement. PFC did not meet the 19% match requirement for FY2122, FY2021, FY1920, FY1819, FY1718 nor for FY1617.
- c. Since the 19% required match was not met for the FY ended June 30, 2022, there will be no contribution to the PFC endowment.
- d. We are not currently aware of any exceptions that will be made for not meeting the 19% match requirement for FY22-23.
- e. Income from fundraisers are to be reflected at the net amount only and after the event is over. Therefore, receipts from sponsors and donors will not be reported for Cash and InKind purposes until such time.
- f. The AmazonSmile donations will no longer occur after February 2023 due to Amazon's decision to focus its philanthropic giving to programs with greater impact. Although the amounts were minimal, PFC had the funds available to cover unrestricted expenses and the amounts could also be counted towards cash and in-kind. The total amount received from August 2021 through November 2022 was \$273.00.

- B. Travel advances for a conference scheduled in March 2023 have been made available for applicable staff.
- C. Employees’ payroll deductions at March 31, 2023 from the current month and from prior months total \$(9,479.28) which includes (\$8,700.00) of pre-funded FSA and HRA anticipated to be reimbursed by Blue Cross and Blue Shield after the FY22-23 plan year ends. These accounts are reconciled on a monthly basis and at yearend to ensure that the correct amounts are being accounted for as required by NCPC.
- D. Per Board approval, an endowment fund was established on June 29, 2012 with the Cumberland Community Foundation, Inc. with an initial amount of \$25,000.00. Since this amount is an irrevocable gift of assets, it is classified as a permanently restricted net asset for accounting purposes. It is also classified as a “Beneficial Interest in Community Foundation” in the Assets section of the Balance Sheet.

NCPC defines permanently restricted net assets as “used to classify assets that have donor-imposed stipulations that neither expire with time nor can be fulfilled or removed by actions of the organization. An example would be an endowment fund whereby the principal is maintained for investment purposes and the interest earnings may be available for use. This FASB code is rarely used.”

FOOTNOTES - BALANCE SHEET - March 31, 2023

Item D – continued

Additional funds totaling \$4,732.00 was added to the endowment as of June 30, 2013. The Partnership made an additional deposit of \$768.00 to the endowment in September 2014. The Partnership also made an additional deposit of \$666.00 to the endowment in July 2015. During January 2016, additional deposits totaling \$218.00 were received for the endowment. This amount was transferred to the Foundation in February 2016. The total contributions from the Partnership to the endowment, including these funds, are now a total of \$31,384.00. There were no additional funds added to this endowment during the 2016-2017 fiscal year.

Community Engagement and Development

Current CAD

PSC 5517

The Community Engagement and Development (CED) activity aims to make PFC the leading and most trusted local source for early childhood resources and information. The activity supports PFC by connecting families, community partners, civic clubs, other organizations, and early childhood professionals to programs and services. CED deploys various strategies, including, but not limited to, the Family Resource Center, designed to strengthen our organization's brand and reputation, community engagement, and the sustainability of resources. The CED activity will maximize and leverage Smart Start dollars by bringing partners and their resources to the table to implement our strategies. The CED activity will host internal and external meetings, and food may be provided. Contingent upon funding, contracted services, technology, and consultants may be utilized, as well as providing space and limited supplies for clients needing privacy for breastfeeding. Multiple funding streams will be used to support staffing, purchase of materials, and coordination of this activity.

Commented [PF8]: Recommendation: Changes still in discussion at NCPC. Program Officer agreed to leave current CAD in place.

Kindermusik and Music Therapy

PSC 5417 [Early Intervention Services]

Current CAD

Kindermusik & Music Therapy will be provided to children through approved preschool classrooms, including early intervention special education classrooms. The music professional/licensed Kindermusik Instructor will provide at least seven weekly sessions for classes of at-risk pre-kindergarten children. The activity supports integrating music into classroom learning through numbers, shapes, colors, and letters, including exploring and sharing music in the child's world in the classroom and at home. Each child will receive Kindermusik curriculum materials, including a parent/child magazine with a story and CD, allowing parents and children to build upon classroom experiences and other appropriate supplies. A contracted Board-Certified Music Therapist provides Music Therapy for special needs preschoolers in Early Intervention classes and other childcare settings for a minimum of eight weeks per class. The primary activity goals include improving fine and gross motor skills, verbal and non-verbal communication skills, increasing vocalization, improving social skills, and fostering joint attention. Children receiving Music Therapy may receive a Kindermusik home kit and other appropriate supplies when funding is available.

Commented [PF9]: Recommendation: No changes to the current CAD in negotiation with NCPC. Program Evaluation still under discussion.

Partnership for Children of Cumberland County
ASA Review FY 2023-24

Lending Library

PSC 3115

Current CAD

The Lending Library will offer a variety of materials to support child care providers and families with young children's learning and development. The Lending Library will provide access to child development resources and materials such as, but not limited to, books, manipulatives, reference materials, curriculum kits, etc. Items for check out will be available to child care providers, families with children ages birth to five years, and practitioners serving young children. Guidance on the appropriate use of the materials may be provided. The Lending Library may also serve as a resource room with access to die cuts and a laminating machine.

Commented [PF10]: *Recommendation: No changes. The PFC CAD is very similar and more succinct. Discussed and approved by Susan Armstrong, NCPC Program Officer.*

Board Priorities – From Spring 2020

1. **Capacity Building Leader** – Reaching more children earlier through building capacity to meet the needs of all children
2. **Sustainability** – Programs, building, retain high quality employees; recruit, retain and enhance high quality board members; financial; resources. Sustainability of resources financially and otherwise
3. **Community Collaboration Leader** – continue to play lead role and continued collaboration with our community to understand what our community needs to ensure innovative and connected systems as well as build capacity both internally and externally to ensure education for those who will take our place someday.

FY 20-21 Focus Areas within Priority Areas
Strategic Planning – Capacity Building with NC Pre-K Recruitment; Sustainability Planning, Pathways for Prosperity, Family Connect Community Advisory Committee, PDG Regional Pilot
Leveraging Technology – Programmatic use of ZOOM for virtual services and meetings; implementation of DocuSign, ACH implementation, Website updates (staff portal, initial work on family portal), designed on-line application for NC Pre-K applications
Expanding Market Reach – Provider Newsletter initiated, Specific targeted marketing for NC Pre-K, DPIL (digital ads, Radio, print, Bus signage, USPS Every Door Direct Marketing
Program Delivery/Enhancement of Local Presence – Tenancy at 98%; Phase 1 of Building project to address windows and water issues began February; grants PDG Regional Pilot for Family Connects, CCHC State Expansion, Community Advisory Committee established as “Special Committee of the Board; Reconfigured CCR&R Department to “Programs Department” with Provider Services and Family Services Divisions; NC Pre-K Directors met monthly through the Pandemic with directors taking lead in forming a work group focused on improving the NC Pre-K program

FY 21-22 Focus Areas within Priority Areas
Increase fundraising/grants – Requested \$200,00 from the City of Fayetteville CDBG process for Phase 2 of the infrastructure project and awarded \$250,000. Working with City of Fayetteville on proposal for ARPA funds to support the Child Care workforce for \$1M over three years. This funding can be counted as Smart Start match. Received \$25,000 donation from the store opening of a second Rooms to Go in Fayetteville.
Increase engagement and recognition of board members – Virtual meeting shave increased attendance at Board meetings and aided in obtaining quorum. Board Development Committee continues to focus on engagement and board donations which continue to lag until the end of the fiscal year.
Continue to leverage technology through program delivery and NC Pre-K recruitment – focused on development of Universal Application process for NC Pre-K. There were challenges with implementation of a new platform (SchoolMint product) due to key staff position turnover at PFC and CCS. Head Start is not currently fully participating with the new platform. Placements lagged and processes continue to be a priority. ACH has been fully implemented for our direct service providers, child care providers and all NC Pre-K providers, thus making payment to them in a timelier manner.

FY 22 – 23 Focus Areas within Priority Areas: Progress as of 4/26/2023

Implement operational efficiencies, cross-functionality, and strategic succession plans – expanding ACH payments to other vendors and using CashPro to add efficiency to processing payments; cross-training as key fiscal positions were filled Fall 2022 (Contracts Coordinator, Fiscal Monitor and MAC Accountant); put in transition and strategic succession planning for IT department; in process of developing strategic transition succession planning for Programs Department, annual review of succession plan for President Fall 2023. Reviewing processes and cross-training during unexpected absences of staff.

Increase engagement and recognition of board members, providers, and other stakeholders – active Board Development work for board and committee recruitment in light of 6 members ending their second term, review of meeting cadence and calendar in order to maximize ability to obtain quorum, continued work on board donations; convened Community Stakeholders group focused on child care workforce issues to engage community members and elected officials in planning, solutions and funding; focus on NC Pre-K recruitment and processes for 23-24 school year. Application launched January 17, 2023, first placements planned started in March. Used NC Pre-K monthly Directors meetings to inform and involve programs in processes. Sites received access to SchoolMint database to view their own programs.

Continue to leverage technology and accountability through program delivery and NC Pre-K recruitment - NC Pre-K Subcontracts executed for providers by beginning of school year in August. Placements were slow but most programs close to fully enrolled by the transition to attendance by attendance in November 2022. Coordinated updates to application platform and launched applications for the 23-24 school year on January 17, 2024. Family Services processes applications as they come in and gets missing documents. Then moves to NC Pre-K staff for final eligibility review and data entry into state system. Continue to assess efficiencies with data entry on data entry during heavy processing time. First placements began in March. DCDEE Contract Amendment for rate increases was not executed until February 8, 2023; retro-pay back to beginning of school year. Provider subcontract amendments complete and remainder of retro-payments being finalized. Off-cycle site selection completed and contracts in place for new sites. Continue to monitor and adjust processes for placements. This has been a particularly difficult year getting Region 5 contracts in place, delaying subcontracts with local affiliates. Working with our Region lead agency to put in place systems for earlier contracting in FY 23/24.

Recommendation: FY 23/24 is Allocation year for the next 3 year funding cycle for Smart Start services. Convene Board Retreat to set priorities for next 3 years Fall 2023.

EXECUTIVE COMMITTEE (Acting on Behalf of Board)
Charles Morris Room/Hybrid
Thursday, April 27, 2023
President's Report

A. NCPC/DCDEE Updates / Legislative Updates

1. NCPC

- **Funding for Family Connects Program** – This is the final year of the Federal PDG Grant for Regional Pilots for Family Connects. The Community Foundation funding for the Community Alignment Specialist position ends December 2024. Discussions are occurring around continued funding to sustain the pilots. Data summary attached.
- **ASA and Budget preparation** – ASA finalized for NCPC at today's meeting. Projected budgets are in preparation for presentation and approval at the May Board meeting.

2. DCDEE

- DCDEE has released the guidance for the \$20M for NC Pre-K and child care start-up, quality and capital expenses. These Child Care Expansion and Access Grants shall be one-time awards (up to \$125,000) to assist with new or expanded high-quality child care initiatives. Applications will be accepted in two rounds, with the first round open now in specified counties. Cumberland County is not in Round 1. Round 2 will open May 22 for licensed child care facilities in or planned for any county in North Carolina.
- **NC Pre-K**
 - a. Processing is continuing for the last retro-payments, new site contracts and NC Pre-K Smart Start enhancements.
 - b. **LETRS** – Documentation for **completion** of the LETRS training must be submitted to the Partnership for Lead Teachers in private sites and Head Start. This is part of contract compliance monitoring. This training was legislatively mandated for PreK – fifth grade. The documentation for completion of the LETRS training is also needed to determine eligibility for stipends that DCDEE received from DPI. DPI is the lead agency for the LETRS training.
 - c. Monitoring documents for NC Pre-K have been submitted to DCDEE.

3. State Level

- The legislative session continues to move quickly. The House finished their budget and a summary from the NC Center for Nonprofits is attached.
- The Senate is working on their budget. The budget is expected to be available in the first week of May.
- Once it is introduced, voted on and passes the Senate, the conferees will be appointed by the House and Senate and negotiations will occur within the Conference Committee.
- While there have been a large number of bills filed in the last week, the May 4th crossover deadline remains.
- While Medicaid Expansion was signed into law, it will not become effective until the appropriations bill is signed and becomes law.
- The Smart Start Legislation Tracking Sheet for 2023 and 2023 Legislative Session Priorities are attached.

- Leandro update – Judge James F. Ammons, Jr. ruled that the state still owes the amount of \$667.8M, which is the funding total amount requested by the remedial plan. However, the State Supreme Court has halted the money transfer and plans to examine certain portions of the case.

4. Federal Level

- **Community Mental Wellness and Resilience Act** will soon be reintroduced by US Representatives Paul Tonko (D-NY), Brian Fitzpatrick (R-PA) and co-sponsors in the House, and Senator Ed Markey (D-MA) and co-sponsors in the US Senate
- **President Biden’s Executive Orders** – On Tuesday, April 18, 2023, President Biden issued an Executive Order that included several major directives to address expanding access to high quality child care, improve affordability of child care on military installations, and boost job quality for early educators. [FFYF Statement on President Biden's Child Care Executive Orders](#)

B. Grant Opportunities/Updates/RFPs

1. City of Fayetteville ARPA grant –First round of applications are in review to determine awards.
2. Cumberland County Revised Nonprofit Fiscal Recovery Assistance Program (up to \$50,000, Application due by May 7, 2023)

C. PFC Updates & Highlights

1. **Position openings posted: website link** (<https://www.indeed.com/cmp/Partnership-For-Children-of-Cumberland-County>). Please go to our website for new postings and share opportunities.
2. **Infrastructure Project:** Pinam Construction is in the process of demolition and framing. Their anticipated completion date is mid to late June. The Cannon Grant award has been received.

2023 Legislative Session Priorities

Increase Smart Start Network Funding by \$30 Million Annually

Established in 1993, Smart Start grew to have a budget of \$231 million in SFY 2000-2001 with the goal of meeting the needs of children, families, and providers in North Carolina. Due to external factors, the budget is \$157 million in SFY 2022-2023, 68% of our previous funding.

Now more than ever, there is a need for additional funding for Smart Start to support North Carolina's youngest children.

Our Ask:

- ✓ Request a recurring, unrestricted appropriation of \$30 million to increase our appropriation to continue elevating and responding to early childhood needs in each county.

Why this Investment:

- ✓ While needs have increased, Smart Start is currently underfunded and does not meet 25% of the statewide need for children (birth to age five) based on the Needs Formula as required in NC General Statute.

IMPACT: With more funding from the NCGA in our SFY22 appropriation, the Smart Start Network was able to invest in more comprehensive solutions for young children, including 12% more funding in family support; 10% more in prenatal, newborn, and early health services; and 7% more for early care and education.

IMPACT: According to a Duke University study on long term impact conducted in 2018, investments in Smart Start and Pre-K are associated with long-term positive outcomes and more children can benefit by participating.

Increase Funding to Dolly Parton Imagination Library by \$1.5 Million Annually

Smart Start received \$7 million in recurring funds in 2017 to increase access to Dolly Parton Imagination Library (DPIL) books. This investment leveraged Smart Start's community roots and resulted in rapid expansion with over 13.5 million book distributions. The percentage of eligible children enrolled has grown from 8% in 2017 to 49% in 2022.

Our Ask:

- ✓ Request appropriation of an additional \$1.5 million annually to continue program support to Smart Start Local Partnerships, meet increasing book costs, and address waitlists.

IMPACT: Currently, NC's statewide enrollment is 296,221 (50% of eligible children). According to results of a recent Smart Start DPIL Survey, the percentage of families reading daily increased from 41% of families before DPIL to 62% of families after DPIL. Approximately 45% of families indicate they would be unable to purchase the same types of books without DPIL.

Why this Investment:

- ✓ \$1.5 million increase annually is requested to meet the current average 300,000 enrollment, which is 50% of eligible children.
 - Currently, 54 of the 75 Smart Start Local Partnerships need continued funding for program support such as hiring staff and increasing outreach for continued program expansion (\$850,000)
 - Approximately 300,000 children will receive books monthly with book expenses averaging \$630,000 monthly and \$2.10 per book (\$7,565,000)
 - NCPC provides DPIL program management and evaluation (\$85,000)

Allow 10% Administrative Allowance for Smart Start and NC Pre-K

Our Ask:

- ✓ Allow 10% aggregate administrative cap for Smart Start infrastructure.
- ✓ Increase NC Pre-K admin from 6% to 10%.

Why this Investment:

- ✓ These requests are aligned with the federal “de minimis rate” of 10% and would better enable Smart Start Local Partnerships and NC Pre-K administrators to find and retain qualified staff and operate more effectively and efficiently. Currently, 46 Smart Start Local Partnerships are NC Pre-K administrators.

Increase Investments in Early Education and Family Support Services

Our Ask:

- ✓ Provide extension of \$300 million in stabilization grants for compensation to early education providers through June 2025.
- ✓ Expand technical assistance services and behavioral health supports for early childhood teachers.
- ✓ Provide dedicated funding to expand Child Care WAGE\$ to early care and education providers in all 100 counties.
- ✓ Increase child care subsidy reimbursement rates and incorporate a statewide subsidy floor.
- ✓ Increase opportunities for Smart Start to invest in home visiting and parenting education programs in all 100 counties.

Why this Investment:

- ✓ The end of federal stabilization grants for early childhood teachers’ compensation will cause a funding cliff. Continued increased compensation for retention and quality early care and education is needed.
- ✓ Increasing competency-based technical assistance will support high-quality early care and education, retention of teachers, relationship-based teacher coaching, and enhance outcomes for young children and their families.
- ✓ Beyond one-time federal funding, early education providers must receive higher compensation for recruitment and retention.
- ✓ Improving subsidy rate structure will help child care programs cover the cost of care while keeping costs lower for working families.
- ✓ Access to home visiting and parenting education programs is a critical strategy to promote infant, maternal, and child health, safe home environments, and access to services. These opportunities support parents during the critical first months and years of their child’s life.

MEMO

HR 309 Policy Revisions – Effective TBD

HR 314 Policy Creation – Effective TBD

Background

HR Committee recommended during the February 21, 2023 HR committee meeting that the Partnership consider drafting a temporary assignment pay policy to compensate and recognize staff who are temporarily taking on more work in certain situations.

Issue

To meet the committee's recommendation, the Partnership drafted revisions to its salary and position classification plan, HR 309, and drafted a new policy that proposes guidelines for temporary assignment pay. The Partnership modeled this draft on policies from various colleges and universities as well as the city of Fayetteville.

Temporary assignment pay is most commonly used to compensate employees who experience a change in job duties and responsibilities for a specified period of time. Currently, the Partnership's policies do not compensate employees for such instances. Instead, current policies recognize employees in such instances during performance conversations, in team meetings, and in all-staff meetings.

While the Partnership is committed to competitive pay practices, we also must balance fiscal responsibility with several funders, often with different restrictions and guidelines on the use of funds.

The new policy draft proposes:

- A minimum of 30 consecutive days performing higher-level and/or additional duties and responsibilities in most cases.
- A 10% pay increase per pay grade difference for higher-level responsibilities up to 20%.
- Up to a 10% pay increase for similar or lower-level responsibilities if approved, based on the length of the assignment.

Action

No action. Recommend to discuss revisions to HR 309 Salary Classification and Position Plan and draft of HR 314 Temporary Assignment Pay. Partnership leadership has not met as a group to discuss these policies in person. Leadership will carefully consider and discuss committee's guidance and feedback.
