

As we support families successfully transitioning to Kindergarten, please adhere to the NC Pre-K Requirements and Guidance and your center's Transition to Kindergarten Plan. It is essential to communicate the following information:

**\*\*Teaching Strategies:\*\***

1. Teachers should complete the checkpoint assessment at least two weeks before the due date. This allows ample time and documentation for accurate assessments. Assessments occur four times yearly (Fall, Winter, Spring, and Summer).
2. All children must have their final assessment completed by May 31.
3. Please remember that teachers must provide the parents with a final copy of the Transition Assessment Reports. Parents should be encouraged to share this copy with their child's kindergarten teacher.
